

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA**

UNITED STATES OF AMERICA,

Plaintiff

v.

ALCED BROUSSARD,

Defendant

CASE NO. 1:03-CR-5054 AWI-5

**ORDER FOR RESPONSE TO MOTION
FOR EARLY TERMINATION OF
SUPERVISED RELEASE**

On April 15, 2020, Defendant Alced Broussard filed a motion for early termination of supervised release. See Doc. No. 307. The impetus for Defendant's request for early termination appears to be his age (70 years), compliance with supervised release in Texas, and the purported support of his supervising parole officer. The Court finds that it is appropriate for the United States and the United States Probation Office for the Eastern District of California to file a response, and for Defendant to be given the opportunity to file a reply.

Accordingly, IT IS HEREBY ORDERED that:

1. The United States and the United States Probation Office for the Eastern District of California shall file a response to Defendant's motion within fourteen (14) days of service of this order;¹

¹ Factors identified in 18 U.S.C. § 3553 are to be considered in evaluating a request for early termination. To the extent that the United States or the United States Probation Office opposes early termination, their response shall specifically address the relevant factors.

2. Defendant may file a reply to the United States' response within seven (7) days of service of the United States' response;² and

3. The Clerk shall serve a copy of this order and a copy of Defendant's motion (Doc. No. 307) on the United States Probation Office for the Eastern District of California.

IT IS SO ORDERED.
